CASE NO. C 07-03536 MEJ

**DEFENDANTS THE ANT
COMMANDOS, HONG LIP YOW,
AND RAYMOND YOW'S
OBJECTION TO DECLARATION
OF DOUG KENNEDY**

Date: August 30, 2007
Time: 10:00 AM
Dept: Courtroom B, 15th Floor
Judge: Maria Elena James

Defendants The Ant Commandos, Hong Lip Yow, and Raymond Yow
(collectively referred to as "TAC Defendants") hereby submit the following
objections to the Declaration of Doug Kennedy in support of Doug Kennedy's and
Reverb Communication, Inc's opposition to the TAC Defendants' motion
("Motion") for order for determination of good faith settlement between Plaintiff
and TAC Defendants.

11

I. OBJECTIONS TO EVIDENCE

1. TAC Defendants object to the second sentence of paragraph 4, on the grounds that it is inadmissible hearsay pursuant to Rule 802.

2. TAC Defendants object to paragraph 5, on the grounds that it is inadmissible hearsay pursuant to Rule 802.

3. TAC Defendants object to paragraph 6, on the grounds that it is conclusory, lacks foundation, based on speculation, the declarant lacks personal knowledge as required by Rule 602, and/or is based on hearsay, and that it is not the best evidence. Declarant has provided no competent evidence to support the statements, and the statements are therefore irrelevant and inadmissible pursuant to Rule 402.

II. CONCLUSION

Based upon the foregoing, the TAC Defendants respectfully request that the court decline to consider the above described evidence and strike it from Doug Kennedy's and Reverb Communication, Inc's opposing papers.
